Budapest, 15 October 2025

Decision

Subject: Ethical Research Review – Vera Messing/Ádám Stefkovics/Bence Ságvári – ESS R12

The Board has reviewed the information you submitted on the 6th of October, 2025.

The submitted documents have convincingly shown that risks associated with the investigation had been considered in an appropriate way, and the research is compliant with the research ethics principles of the ELTE Centre for Social Sciences.
